To Whom It May Concern:

Letter of Reference and Recommendation for Lauren Davis:

Lauren has just completed her long term teacher candidate practicum at Beattie Elementary in a Grade 7 classroom. It was my observation that as a teacher candidate, Lauren performed her duties with high ability and energy. She was well prepared to deliver innovative and engaging lessons to a group of diverse learners at Beattie. She was responsive to feedback in a positive manner, and adjusted her teaching style or lessons accordingly. Lauren was always very good at recognizing teachable moments and making the most of it.

Lauren related effectively with students, staff and parents. She took part in staff meetings, helped write comments and goals for the final report and attended a Professional Development Day. She helped with extra-curricular activities and trained students how to scorekeep our district basketball games. Lauren also ran a homework club for her students during the lunch hour.

Lauren is ready to accept the responsibilities of a classroom full-time, she is dedicated to the profession and improving her practise, and will be a valued member of any staff and community. I highly recommend Lauren.

Sincerely,
